**WIGWAM G C. – October 8 (Sat.), 2016**

- 3) Fourball Format – Each golfer plays their own ball to completion on each hole. Make all putts, no gimmes. The foursome is split into two, two-player teams (SRP, APS) and the lowest score for a team on a hole is the lowest net score of its team members. For example, a team has gross scores of 4 and 5 , the golfer who made the 4, checks their match handicap, receives one handicap stroke on that hole so his/her net score on the hole is 3, The golfer who scored a 5 checks their match handicap receives no handicap strokes on that hole. So the team's net best-ball is 3, the lower of the two net team scores wins the hole. The APS/SRP tour. is a "match play" so individual holes are won, lost or halved. In match play no matter what the difference in strokes the winner of the hole gets only 1 point. Ties scores on a hole are zero (0) points for either team.
- 4) At the end of 18 holes the winning team receives one point and ties are ½ point for each team.
