

# Legacy Local Rules

*As defined on the back of the scorecard*

**Water hazards** are defined by yellow stakes or lines.

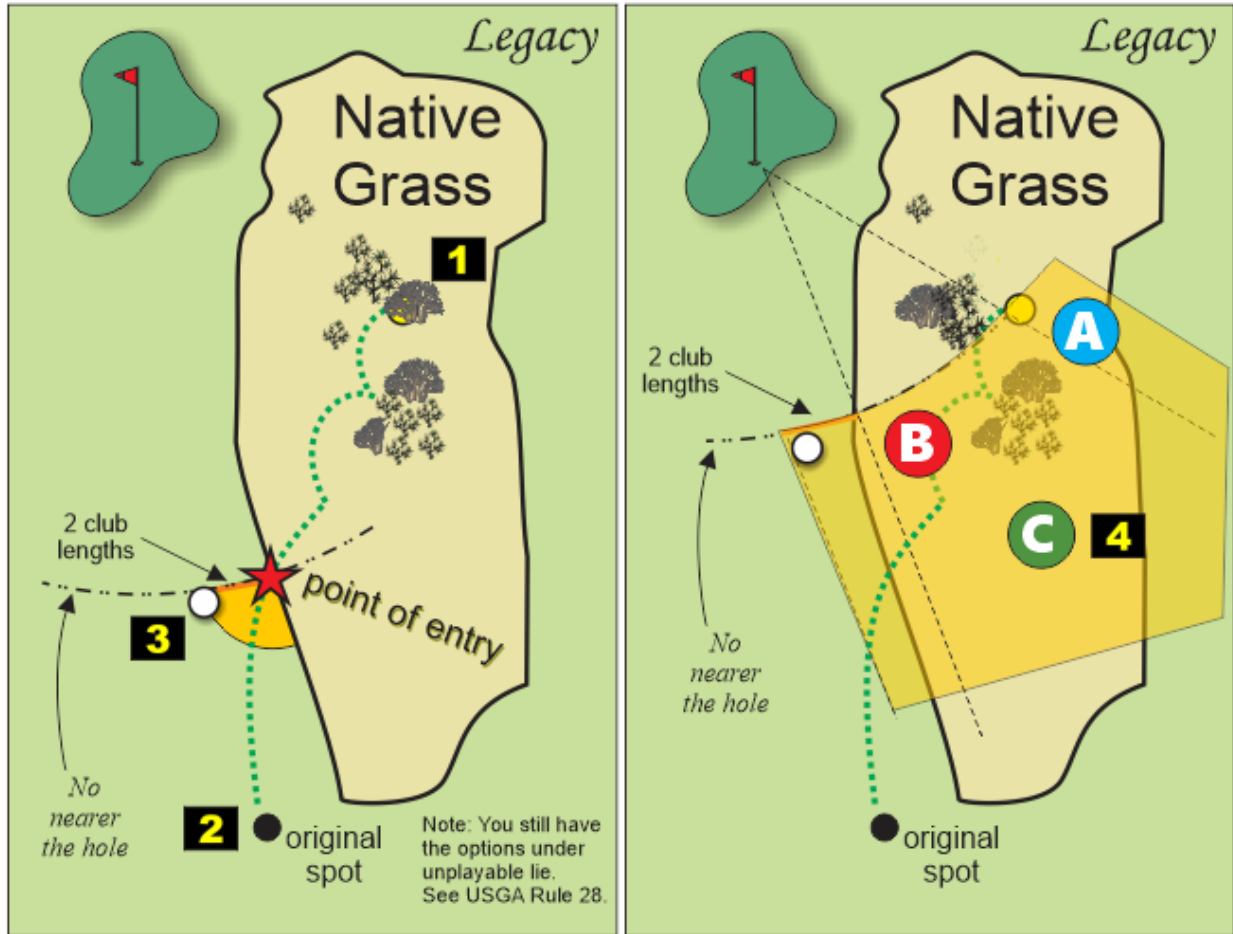

**Lateral hazards** are defined by red stakes or lines.

**Out of bounds** is defined by white stakes, roadways, and boundary fences.

**Lost ball.** A player whose ball is lost or hit into the native grass areas may, with penalty of one stroke, drop a ball within two club lengths, no closer to the hole, of the point of entry. Tip: Be cognizant of the point of entry if your ball goes into a native grass area, or is potentially lost, because that could be where you will have to drop a ball. See diagrams on the next page for all the options.

## Notes

- Yardage markers are to the center of the greens.
- Keep carts on paths around tees, greens, and bunkers, and out of native grass areas. Use 90 degree rule when possible.
- Please repair all marks on greens, rake bunkers, and fill divots with sand mixture.

## Options

1. If the ball is found, play the ball where it lies. **No penalty.**
2. Stroke and distance relief.  
Play a ball from the original spot. **Two stroke penalty.**
3. Legacy local rule.  
Drop a ball within two club lengths, no closer to the hole, of the point of entry. **One stroke penalty.**
4. Alternate to stroke and distance relief.
  - Determine the spot where your ball is likely lost (point **A**).
  - Find the nearest fairway edge no closer to the hole (point **B**).
  - Drop a ball in the shaded area (**C** on the diagram on the right) as defined on one side by a line from the hole through point A and on the other side by a line from the hole through point B and not nearer the hole. The relief area is extended on both sides by two club lengths. **Two stroke penalty.**
