Dear SRP Golf Association,

On behalf of the Packages From Home (PFH) Board of Directors, and those brave men and women who serve in our military, I would like to thank you for your most generous contribution to PFH.

Your tax-deductible charitable gift will enable PFH to fulfill its mission to send care and comfort packages to deployed American military heroes who are stationed in active duty theaters around the world, as well as to facilitate activities that elevate morale of all veterans.

I am always overwhelmed by the out-pouring of "good" coming from our communities across the United States and I am truly touched that you would do such a great thing by donating to PFH.

Our volunteers, as well as our benevolent supporters, are the backbone of Packages From Home. Without your help, we simply could not have sent the nearly 127,000 care and comfort packages and more than 235 tons of recreation equipment to Iraq, Afghanistan, Darfur and Korea. If our troops are there, we are there...and only due to your kindness and generosity.

It is best said in a letter I received recently from a First Lieutenant who is stationed in Afghanistan, "Few things make a deployed soldier feel better than knowing that the people of America are behind them in this fight. Thank you again for everything and everyone of us here looks forward to hearing from you and receiving packages from home."

This letter exemplifies the gratitude of our brave volunteer military, the gratitude we have for them, and the love that goes into every care and comfort package – it is so much more than a box.

Please use this document as a tax receipt for your donation, which is described below.

Most Sincerely,

Kathleen Lewis
President & Founder
